MEMORANDUM FOR THE RECORD

FROM:

[REDACTED]

Chief, Intelligence Branch

SUBJECT:

Systematic Review of Interdepartmental Publications

1. On 17 February 1982 I spoke with [REDACTED], Chairman of the Scientific and Technical Intelligence Committee (STIC), concerning the review of records created by that committee. I described our review activity and the experience of the officers, and asked the committee's permission to review and take action on its records without referral.

2. [REDACTED] called back on 18 February and said the committee gives its permission.
